**Re: FY 2022 Annual Report of the Maryland Insurance Administration
(MSAR # 1690)
(inc. Job Creation Premium Tax Credit Report (MSAR # 11106))**

Ladies and Gentlemen:

Enclosed is the FY 2022 Annual Report of the Maryland Insurance Administration. This report is respectfully submitted pursuant to § 2-110 of the Maryland Insurance Article. Also included as its own section of the Annual Report, is the "Job Creation Premium Tax Credit Report." (MSAR # 11106) § 6-307(b) of the Economic Development Article requires that, in accordance with § 2-110 of the Insurance Article, the MIA report on each insurer claiming the credit against the insurance premium tax under § 6-114 of the Insurance Article, the total amount of credits claimed by those insurers, and the number of insurers claiming the credit.

Five printed copies of this report have been mailed to the DLS library for their records.

Should you have any questions regarding this report, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen A. Birrane".

In accordance with Md. Ann. Code, Ins. Art. § 2-110(a) (2017 Repl. Vol), Commissioner Kathleen A. Birrane hereby submits the annual report of the operations of the Maryland Insurance Administration (the “MIA” or “Administration”) for fiscal year (FY) 2022 (July 1, 2021 through June 30, 2022) (“this Report”). Section 2-110 (a) lists ten (10) discrete topics that must be included in the annual report and this Report adopts the order of contents set forth in the statute.

A. INTRODUCTION

The Maryland Insurance Administration (the “MIA”) is the independent State agency charged with the regulation of Maryland’s \$46 billion insurance industry. The MIA’s mission is to protect the rights and interests of insurance consumers by facilitating a strong and competitive insurance market, enforcing insurance regulatory laws and requirements, and offering consumer education and assistance.

The MIA’s specific responsibilities include licensing insurance companies and insurance producers (brokers/agents) doing business in Maryland; conducting financial examinations of companies to monitor financial strength and solvency; reviewing and approving certain insurance company acquisitions, transactions, corporate actions, distributions, and investments; conducting market conduct examinations and investigations to monitor compliance with Maryland law; reviewing and (with respect to some lines of business) approving rates and policy/contract forms; investigating insurance fraud; and investigating consumer complaints about the conduct of licensees or other actors in the insurance market, including complaints about the actions of insurance producers and life, health, automobile, homeowners, title, and commercial insurers. The MIA produces educational material, guides, and alerts for insurance consumers and hosts virtual listening sessions, “lunch and learn” events, and educational webinars. The MIA’s Consumer Education and Advocacy Unit participates in hundreds of in-person community based events throughout the state each year and assists consumers with insurance needs after a disaster through its Virtual Disaster Center and by staffing in-person disaster recovery centers. The MIA also represents the State at the National Association of Insurance Commissioner (“NAIC”), the International Association of Insurance Supervisors (“IAIS”) and the Sustainable Insurance Forum (“SIF”). The MIA’s work is performed by a team of highly trained and professional staff of actuaries, financial analysts, auditors, examiners, accountants, lawyers, investigators, law enforcement officers, customer service representatives, consumer advocates, and others.

The MIA is a specially funded agency supported entirely through the collection of licensing fees and assessments on the insurance industry; it does not receive any money from the State’s General Fund. Assessments support two separate funds: the Insurance Regulation Fund, which supports the general administrative and regulatory activities of the MIA, and the Health Care Regulatory Fund, which funds the costs of complaint investigations (appeals and grievances) related to payment denials involving medical necessity. These funds are maintained year to year and unused assessment are used to decrease future assessments and are not transferred to the General Fund. The MIA contributed \$561,891,903 in revenue to the General Fund in FY 22. These contributions consist of premium taxes collected on business written in the State and penalties assessed on licensees for violations of insurance laws and regulations. In lieu of a state income tax on insurance company profits, the MIA collects a 2% tax on premiums from authorized insurers and a 3% tax on premium written by unauthorized insurers.

Kathleen A. Birrane was appointed by Governor Larry Hogan to serve as Maryland’s Insurance Commissioner, effective May 18, 2020, for a term ending May 31, 2023.

B. SECTION 2-110(A)(1) -(10) INFORMATION

1. Maryland Authorized Insurers and Summary Financial Statements

Section 2-110(a)(1) requires the submission of “a list of the authorized insurers transacting insurance business in the State, with any summary of their financial statement that the Commissioner considers appropriate.”

The list is attached as Appendix 1.

2. Closed Insurers

Section 2-110(a)(2) requires the submission of “the name of each insurer whose business was closed during the year, the cause of the closure, and the amount of assets and liabilities of the insurer that is ascertainable.”

Licenses who ceased doing business in Maryland in FY22 are identified in the following table; however, at the time the certificate of authority was relinquished, the assets and liabilities of these insurers were not ascertainable.

3. Delinquent Insurers

Section 2-110(a)(3) requires the submission of “the name of each insurer against whom delinquency or similar proceedings were initiated, a concise statement of facts about each delinquency or similar proceeding, and the status of each proceeding.”

No delinquency or similar were initiated by the MIA in FY22. With respect to delinquency proceedings initiated in prior years, the MIA provides the following updates.

a. Evergreen Health, Inc.

On July 25, 2017, the MIA issued an Order prohibiting Evergreen Health, Inc. ("Evergreen Health") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and prohibiting Evergreen Health from selling or renewing any large or small group insurance policies without the prior approval of the Commissioner (Order MIA 2017-07-041). In addition, on July 31, 2017, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Court issued an Order of Rehabilitation by Consent (Case No. 24-C-17-003939) which appointed a Receiver to rehabilitate or liquidate Evergreen Health's business. On August 31, 2017, the Receiver filed a Motion to Liquidate Evergreen Health. On September 1, 2017, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Evergreen Health and Order Directing Certain Health Maintenance Organizations to Offer Evergreen Members an Open Enrollment Period. The liquidation of Evergreen Health is on- going.

b. Paramount Insurance Company

On September 10, 2018, the MIA issued an order prohibiting Paramount Insurance Company ("Paramount") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and ordering Paramount to cease writing new or renewal business in Maryland and the District of Columbia (Order MIA 2018-09-003). On September 13, 2018, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Circuit Court granted a motion and signed the Order of Rehabilitation by Consent (Case No. 24-C-18-005120) which appointed a Receiver to rehabilitate or liquidate Paramount's business. On January 9, 2019, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Paramount. The liquidation of Paramount is on-going.

4. Rulings and Decisions

Section 2-110(a)(4) requires the submission of “a list of the rulings and decisions made in cases before the Administration during the year.”

The list is attached as Appendix 2.

5. Fees, Taxes, Administrative Fines, and Penalties

Section 2-110(a)(5) requires the submission of “a statement of all fees, taxes, and administrative fines and penalties received by the Commissioner and deposited into the General Fund of the State.”

MIA CONTRIBUTIONS TO THE GENERAL FUND IN FY22

Premium Taxes	\$633,714,563
Retaliatory Taxes	(\$59,407)
Fines	\$1,399,546
TOTAL	\$635,054,702

6. Complaint Data

Section 2-110(a)(6) requires the submission of “the ratio of complaints filed during the calendar year against each insurer for each major line of insurance written by the insurer and a summary of the resolution of the complaints.”

This information is found in Appendix 3. In summary, in FY22, the Administration received 8,122 formal complaints.

Summary of FY22 Complaints

Unit	Total Complaints
Life and Health	2,419
Appeals and Grievance	868
Property and Casualty	4,835
TOTAL	8,122

In addition to the formal complaint process, the MIA’s Rapid Response Program facilitates informal dispute resolution between consumers and certain property and casualty insurers. The Program is designed to address simple issues that can often be resolved quickly without the filing of a formal complaint. In FY22, the Rapid Response Program received 1,640 inquiries, primarily regarding automobile, homeowners, and liability insurance. Those inquiries are in addition to the 4,835 formal complaints received by the Property and Casualty Division of the MIA.

7. Recommendations for Statutory Changes

Section 2-110(a)(7) requests the submission of “recommendations of the Commissioner about changes in the law affecting insurance and about matters affecting the Administration.”

The Commissioner, in consultation with the professional staff of the MIA, makes the following recommendations.

- 1) Modernize and simplify §§ 27-613 and 27-614, including elimination of the prohibition to a right to a hearing for those who receive a premium increase less than or equal to 15% for the entire policy. This would be in tandem with new language to update the code to accommodate insurers that adjust rates in near-real time based on telematics data.
- 2) Amend the Insurance Article to clarify that Qualified Surplus Lines Brokers who allow retail producers to accept premium and act on that basis to issue a policy may not cancel the policy for non-payment of premium if the premium has been paid to the retailer.
- 3) Adopt changes made to the National Association of Insurance Commissioners’ (NAIC) Model Act #785 “Credit for Reinsurance Model Law.” These changes would authorize the Insurance Commissioner to adopt rules and regulations governing a foreign reinsurer that is not considered a reciprocal jurisdiction; certified as a reinsurer in the State, or certified or licensed in a specific number of states while maintaining at least \$250 million in capital and surplus, as specified.
- 4) Amend §§ 27-209 and 27-212 to would allow companies to provide value-based services outside of their own contracts with the consumer, without running afoul of the current anti-rebating laws.
- 5) Update §§ 19-701 to 19-706 to eliminate the requirement that insurers make a lead paint qualified coverage offer since those offers have been deemed unconstitutional.

The 2022 Legislative Session included bills, including Departmental Bills, that reflected the Commissioner’s recommendations for legislative changes and that were enacted by the General Assembly. A comprehensive report of legislation impacting the business of insurance in Maryland that was enacted by the General Assembly in 2022 can be found on the MIA website at:

insurance.maryland.gov/Insurer/Documents/bulletins/22-06-Summary-of-Insurance-Laws-Enacted-in-2022.pdf

8. Fraud Division

Section 2-110(a)(8) requires the submission of “information about the operation of the Fraud Division, including:

- i. the number of complaints received that relate to insurance fraud, the nature of the complaints, and the resolution of the complaints;*
- ii. the number of complaints and cases referred to a State's Attorney and the resolution of the complaints or cases;*
- iii. the number of complaints and cases referred to the Office of the Attorney*

- General and the resolution of the complaints or cases;*
- iv. the number of calls made to the insurance fraud hot line;*
- v. the number of complaints received from persons regulated by the Commissioner;*
- vi. the number of cases received from the Workers' Compensation Commission under § 9-310.2 of the Labor and Employment Article and the resolution of the cases;*
- vii. the total number of cases, by type of insurance fraud; and*
- viii. the number and percentage of cases that result in the imposition of civil or criminal penalties.*

In FY22, the Commissioner reassigned oversight of the MIA’s Enforcement Unit (which investigates potential statutory violations by insurance professionals licensed by the MIA) to the Insurance Fraud Division which has been renamed the “Insurance Fraud and Enforcement Division.” The information below addresses the operations of this Division solely as to operations of the Insurance Fraud Unit. Producer Enforcement information is set forth below.

9. Staffing and Salaries

Section 2-110(a)(9) requires the submission of “a list of all staff positions, classifications, and salaries in the Administration as of the end of the preceding calendar year.”

The list is attached as Appendix 4.

10. Other Relevant Information

Section 2-110(a)(10) requests” any other relevant information that the Commissioner considers proper.”

The Commissioner submits the following additional information regarding the operations of the MIA in FY22.

a. COVID-19

On March 5, 2020, Governor Lawrence J. Hogan, Jr. declared a state of emergency and catastrophic health emergency (the “SOE”) for the entire State to control and prevent the spread of COVID-19 within the State. On March 12, 2020, Governor Hogan ordered mandatory telework for all State employees. Because the MIA had recently conducted a desk-top pandemic exercise and, in response, had updated its bandwidth and its Continuity of Operations Planning (COOP), the MIA was able to rapidly adjust to a virtual remote work environment without disturbing or diminishing core services to consumers and licensees.

During the SOE, the MIA analyzed work and work place requirements for MIA employees, resulting in the increase in the number of employees classified as full-time telework or hybrid employees. Classifications were fully implemented during FY22. As of the end of FY22, approximately 37% of the MIA’s workforce are full-time teleworkers, approximately 56% are hybrid workers, and approximately 7% are full-time office workers. All workers come to the office at least monthly to assure team cohesion and consistency. Because the MIA makes full use of available technologies, the reclassification of workers has not impacted productivity or responsiveness.

b. Consumer Education and Advocacy Unit

The Consumer Education and Advocacy Unit (CEAU) is responsible for providing consumers with information about their insurance policies and assisting them in gaining a better understanding of their rights and obligations under those policies. The statutory framework for the CEAU is contained in §§2-301 through 2-305 of the Insurance Article. The CEAU also facilitates the resolution of consumer disputes with certain property and casualty insurers through the Rapid Response Program.

Prior to the advent of the COVID-19 pandemic in early 2020, CEAU attended as many as 500 live events per year to educate the community and disseminate information. In 2020, the unit shifted to a virtual

presence, and began to host webinars, virtual town hall meetings, and similar activities. Working closely with the Communications Unit, the CEAU increased its virtual outreach and developed more sophisticated platforms and methods for consumer interface during 2021 and 2022.

With respect to in-person engagements, during FY22, CEAU gave 16 in-person presentations and participated in 176 in-person events. These numbers will continue to increase as in-person events increase. Virtual events are, however, very popular with consumers and provide unique opportunities for the MIA to interact with consumers on specific topics or issues of interest and concern. Media interface is also very effective in outreach efforts to younger consumers. The MIA sponsored or participated in 165 virtual events in FY22.

Consumer outreach in FY22 included some of the following examples.

- **Virtual Disaster Center:** CEAU and the Communications Unit established a virtual alternative to the MIA's in-person disaster centers, to allow the agency to disseminate information and assist affected consumers following a disaster. Using secure ZoomGov technology, the MIA offers consumers general information and one-on-one, breakout-room meetings for consumers in need of assistance. This technology based approach complements the MIA's on-the-ground presence in the wake of disasters and provides an attractive alternative to traveling to a physical location. The MIA is able to host other state and local governmental agencies and resource providers, providing Marylanders with full service virtual options. This has been very well received by consumers and responders as it allows consumers to secure meaningful assistance without needing to travel in the wake of a disaster.
- **Virtual Listening Sessions:** The MIA holds virtual Listening Sessions to ensure that the lack of in-person communication does not impede awareness of consumer issues and needs. The Listening Sessions have provided valuable information that informed the development of tools, guides, and programs for consumers. The Listening Sessions have included: Financial Security (Life and Disability) Insurance Issues for the LGBTQ+ Community, The Role of Insurance in Addressing Health Care Inequities, Health Care Insurance Needs and Challenges for Women and their Dependents, Insurance Considerations for Rural Marylanders, Health Insurance Issues for People with Disabilities, Commercial Issues Facing Small Businesses and Cybersecurity Awareness.
- **Ask Mia Marketing Campaign:** The MIA launched a new virtual marketing campaign in FY 21 targeting nontraditional audiences for insurance-related information. We created a cartoon character known as "Mia" that we use to promote events, virtual webinars and our virtual open houses. During FY22, the MIA has expanded the "Mia" concept in 2022 through social media and an interactive display at major events. In addition, the Mia character and her "friends" are used on social media.
- **Dedicated Spanish and Korean Website Sections:** In FY21, the MIA established special landing pages on its website for all of our translated Spanish and Korean content. In FY22, these pages were developed more fully to provide more user-friendly interfaces and interactivity similar to the MIA's primary website. The MIA's WebPage for Spanish speakers can be accessed here: insurance.maryland.gov/En%20Espa%C3%B1ol/Pages/Spanish-Publications.aspx
- **Consumer Newsletter (Digital):** In FY22, the Communications Unit created a consumer-focused newsletter that contains information about our latest consumer events, consumer alerts and

insurance tips. The newsletter is delivered monthly via the Granicus GovDelivery email platform.

- **Constituent Update:** The MIA has also created a Constituent Update to help public officials throughout Maryland keep their constituents informed about the resources our agency provides, including virtual services. This update is an interactive document that public officials can easily share with their constituents.

c. Market Regulation and Professional Licensing

The Market Regulation and Professional Licensing Unit's primary mission is to protect consumers from deceptive marketing, unfair claim settlement practices, underwriting and premium rating abuses, and misrepresentation of insurance coverage. The Unit enforces regulatory compliance by companies and insurance producers with applicable state laws and regulations. The Unit also oversees the licensing of insurance producers.

In FY22, the Unit's activities resulted in the return of \$8,992,686.87 to Maryland consumers, as well as the assessment of approximately \$1,497,609.70 in administrative penalties for violations of Maryland insurance law by insurers, producers and other regulated entities, which was deposited into the General Fund.

Within the Market Regulation and Professional Licensing Unit, the Market Conduct Section conducts company examinations focused on business practices. Regulated entities reimburse the MIA for expenses incurred in performing these examinations. In FY22, regulated entities reimbursed the Administration \$1,307,658.65 in examination fees and expenses.

The Market Analysis Section establishes and meets State objectives for integration of market data analysis, market conduct, and interstate collaborative efforts into a cohesive oversight program of the insurance market. In FY22, Market Analysis completed 85 baseline reviews of 59 licensed carriers and posted them to the Market Analysis Review System ("MARS").

The Producer Licensing Section issues licenses and registrations to qualified resident and nonresident insurance professionals, including corporations, partnerships, and limited liability companies. In FY22, Producer Licensing Section issued 53,350 initial licenses and renewed 78,744 licenses to producers, public adjusters, insurance advisers, motor club representatives, surplus lines brokers, viatical settlement providers/brokers, third party administrators, self-storage producers and portable electronic vendors. Producer Licensing Section received 1,013 paper applications and 126,142 on-line applications in FY22. The total licensee population was 267,075 at the end of the FY22, which was comprised of 44,469 resident licenses/registrations and 222,606 non-resident licenses/registrations. The Producer Licensing Section collected \$8,706,436.14 in license fees and \$281,975 in license exam fees. As of the end of FY22, the Administration has 498 Continuing Education (CE) and 42 Pre-Licensing active providers of continuing education for producers and 6,099 CE courses and 105 active Pre-Licensing courses.

d. Enforcement

The Title Enforcement Section focuses on complaints about individual producers of title agents. Title Enforcement completed 1,380 investigations of the activities of insurance producers conducting business in Maryland and issued 3 orders. The restitution amounts listed in the table below include funds escheated to the State of Maryland.

FY22 Summary

	Fines Assessed	Restitution
Market Conduct	\$1,496,109.70	\$8,929,270.87
Enforcement	\$1,500.00	\$63,416.00
Total	\$1,497,609.70	\$8,992,686.87
	Per Diems	Expenses
Market Conduct	\$1,289,023.70	\$18,634.95

Copies of orders, consent orders, and market conduct examination reports issued by the Compliance and Enforcement Unit are available at insurance.maryland.gov

e. **Rate Review Pursuant to the Affordable Care Act (ACA)**

During FY22, for “Affordable Care Act” (ACA) health benefit plans offered on and off of the Maryland Health Benefit Exchange (MHBE) with an effective date on or after January 1, 2022, the Office of the Chief Actuary (OCA) reviewed, revised, and approved rate filings from three carriers in the “Individual, Non-Medigap” (INM) market and four carriers in the “Small Group” (SG) market. For stand-alone dental plans, the OCA reviewed, revised, and approved rate filings from four carriers in the INM market. The OCA also initiated the rate review process for the 2023 ACA premium rate filings for plans to be sold on and off of the MHBE. The OCA also supported analysis and monitoring through the MHBE of years three and four of the federal 1332 waiver reinsurance program for the INM market which began in 2019 and of the first year of the Young Adult Subsidy pilot program which began in 2022.

11. **Job Creation Premium Tax Credit in 2020**

Section 6-114 of the Insurance Article permits an insurer to claim a tax credit against its premium tax for wages paid to qualified employees as provided under Title 6, Subtitle 3 of the Economic Development Article. Under Section 6-307(b), of the Maryland Economic Development Article, the Maryland Insurance Commissioner is required to submit a report, in accordance with §2-110, listing each insurer claiming a job tax credit against its insurance premium tax owed, the total amount of credits claimed by insurers under §6-114 of the Insurance Article, and the number of insurers claiming the tax credit.

- No insurers claimed a job creation tax credit for the 2021 premium tax year.

Appendix 3

Complaint Index

Explanation

The Complaint Indexes found in Appendix 3 measure the volume of consumer complaints filed against each insurance company for a particular line of business in comparison to that insurer's share of the market in Maryland. An index result of 1.0 means that consumers filed complaints against the insurer in proportion to the insurer's market share. For example, if an insurer has a 10 % share of the market and 10 % of the complaints received by the Administration were against that insurer, the insurer's index would be 1.0. Thus, an index result of less than 1.0, means the Administration received fewer complaints against the insurer than the insurer's market share; and, conversely, an index of greater than 1.0, means the Administration received complaints against that insurer greater than the insurer's market share. The Complaint Indexes found in Appendix 3 are specific to Maryland's insurance market.

Here are definitions of terminology found at the top of each Complaint Index in Appendix 3:

Complaints Year: This is the calendar year for which complaints data has been utilized to calculate the complaint index.

Total Complaints for Index: This is the count of complaints for the entire market during the complaints year for the specific policy type.

Premiums Year: This is the calendar year for which written premium has been counted to calculate market share.

Total Premiums for Index: This is the total amount of premium written for the specific policy type in the Premiums Year.

Policy Type: This is the type of insurance policy (line of business) for each Complaint Index.

Here are definitions of the column headings for each complaint Index:

Complaint Index: This is the numeric score that represents the insurer's share of consumer complaints compared to its share of the market. The formula to arrive at the score is: $\text{Complaints Share} \div \text{Market Share} = \text{Complaint Index}$.

Cocode: This is a unique identification number for each insurance company. Different insurance companies within the same insurance group will each have a unique company code.

Company Name: The name of the individual insurance company.

Complaint Share: This is the insurer's share of the total complaints received by the Administration in the complaints year indicated. The formula to arrive at the Complaint Share is: $\text{Complaints} \div \text{Total Complaints for the Index} = \text{Complaint Share}$.

Complaints: The number of complaints received by the Administration against the insurer in the complaints year for the specific policy type.

Maryland Market Share: The percentage of written premium for the insurer in the Maryland market. The formula to arrive at the Maryland Market Share is: $\text{Premium written by the insurer in Maryland for the Premiums Year} \div \text{Total Premiums for the Index} = \text{Maryland Market Share}$.

Premiums: The amount of written premium for the insurer in the Maryland market during the Premiums Year.
